"The Impact of Social Inclusion for Young Migrants in Social Neighborhoods" project

Training Mobility: Training for Migrant Youth Workers on Social Rights

**Erasmus Plus Programme - Learning Mobility of Individuals
Training Course - Multilateral project**

Iris-KESKUS Hotel, Hesinki, Finland - 25th to 31th of August 2022

Somali Cultural and Integration Association - SKI is promoting a training project in partnership with other youth and immigrant organizations from Germany, Finland, Norway, Sweden and Portugal to increase the capacity of migrants youth workers on social inclusion to provide crucial support the community with few opportunities living in social neighbourhoods, find strategies and measures to improve the access and permanence of the 40 youth workers in the integrated local system in the partner countries, reducing social problems due the lack of understanding and knowledge of social innovation, increase cooperation between youth workers and the quality of social inclusion learning and educational actions and promote cooperation between youth workers from partner organizations in order to enhance the social and pedagogical knowledge.

This training course will take place in Iiris-KESKUS Hotel, Hesinki, Finland from 25th to 31th of August 2022 and it is supported by the German National Agency - "JUGEND für Europa" responsible for the Erasmus Plus Programme in Germany, under Key Action 1 – Learning Mobility of Individuals, Mobility of learners and staff - Youth workers mobility.

The reason to carry on this activity "Training for Migrant Youth Workers on Social Rights" it is because it will make an important contribution to improving the situation of social rights to the people that are in the risk situation of social exclusion, that many of the young immigrants and descendants of immigrant's face in social neighbourhoods from the partner countries. Based on an extended process of participation of migrant youth workers in these communities, we want these youth workers to become central actors in the process of creating solutions to their own problems and realities that exist in their communities when it comes to the lack of knowledge of social rights in Europe. Where these will be seen as part of the solution and not part of the problem of social exclusion. Developing together with other partner organizations at local levels all a set of concrete proposals and measures that will support the development of more effective public policies and close local social reality in the partner countries.

This training course will be in English with residential format and will be used methods of non-formal education and non-formal learning, involving youth workers to develop common projects at national and international level.
